FULL BIO

Luke Aikins is a Red Bull sponsored skydiver and stuntman who has been pushing the edge of human flight for 28 years. With over 21,000 skydives, he has worked on major Hollywood movies like Iron Man 3, Godzilla, Fast and Furious 7, Ant-Man 2, and Black Widow, to name a few.

Luke is known for his daring feats and record-breaking stunts. He gained widespread recognition in 2016 when he successfully completed a skydive from 25,000 feet (7,620 meters) without a parachute or wingsuit, landing safely in a net. This remarkable achievement earned him a place in the history books as the first person to accomplish such a feat.

The lessons Luke has gleaned over the course of his career deliver a motivating and inspiring keynote to audiences of all kinds. Luke's insights reveal the challenges of designing and building the most death defying stunts with his teams and the outcomes we can all learn from his efforts.
